

1 in 10 U.S. adults* has kidney disease. If you have it, you're not alone.

Kidney SmartSM Classes

:: Kidney Disease Education :: Expert Educators :: No Cost ::

In class, you will learn:

- How kidneys function and the causes of chronic kidney disease
- How medications, diet and nutrition work together to help keep you healthy
- How to manage other related health conditions including diabetes and hypertension
- How to continue educating yourself and what treatment choices are available
